

358.7(e)(2) Employee-Staffed Shared Facilities

Company posts on its Internet website a complete list of the employee-staffed facilities shared by any of the Company's transmission function employees and marketing function employees. The list must include the types of facilities shared and the addresses of the facilities.

Shared facilities information effective as of: January 30, 2009

Office Space:

**TransCanada Corporation
450 – 1st Street S.W.
Calgary, Alberta
CANADA T2P 5H1**

TransCanada Corporation and its subsidiaries share email, calendars, financial, accounting, human resources applications and servers. However, the appropriate measures have been taken to prevent personnel of potential Marketing Affiliates from accessing Company transmission information.

Effective Date of Posting: 1/30/09
